Dear Ms. Haskins:

Your public records request dated August 27, 2019, directed to the Louisiana State Analytical and Fusion Exchange (“LA-SAFE”) was forwarded to me for review and response. I have attached the portion of your public records request that lists the requested records for your reference. I have conferred with LA-SAFE in providing this response.

The type of information you seek pertains to investigative techniques, investigative technical equipment or instructions on its use, and investigative training information or aids. Louisiana Revised Statute 44:3(A)(3) specifically exempts from the public records “[r]ecords containing . . . investigative training information or aids, investigative techniques, investigative technical equipment or instructions on the use thereof . . . .” Therefore, your public records request is denied.

With kindest professional regards,

  
Adrienne E. Aucoin
